To estimate your insurance needs, you'll need to consider your unique circumstances. Use our online calculator at [www.standard.com/life/needs](http://www.standard.com/life/needs).

## How Much Your Coverage Costs

Your Basic Life insurance is provided by Health Professions of Montana Plan & Trust. If you choose to purchase Additional Life coverage, you'll have access to competitive group rates, which may be more affordable than those available through individual insurance. You'll also have the convenience of having your premium deducted directly from your paycheck. How much your premium costs depends on a number of factors, such as your age and the benefit amount.

**Use this formula to calculate your premium payment:**

$$\frac{\text{_____}}{1000} = \text{_____} \times \text{_____} = \text{_____}$$

Enter the amount of coverage you are requesting (see benefit amounts in the About This Coverage section).

Enter your rate from the rate table.

This amount is an estimate of how much you would pay each month.

If you buy coverage for your spouse, your monthly rate is shown in the table below. Use the same formula to calculate the premium that you used for yourself, but use your spouse's age and your spouse's rate.

If you buy Dependents Life with AD&D coverage for your child(ren), your monthly rate is \$2.30 for \$10,000, no matter how many children you're covering. Your monthly AD&D rate of \$0.30 for \$10,000 is included.

# Online Will Preparation

A simplified way to take care of important life matters

If creating a will has been on your radar, Online Will Preparation can help you get it done. Use this easy tool to help make important decisions for you and your family. Online Will Preparation is included in the Life Services Toolkit, an additional service with your Group Life Insurance from Standard Insurance Company (The Standard).

## Why Create a Will?

A will is a legal document that describes how you want to divide up your assets after your death. If you don't have a will, state law will determine how your assets will be divided. A will can also be used to designate a guardian for minor children. Moreover, a will helps your family and friends understand your wishes.

## How It Works

Online Will Preparation is an easy-to-follow process. Just answer a series of questions — on your own time — and watch as the document is created. You can save and close the document at any time, then work on it later. After you've created the will, follow instructions to complete the process.

## Start Creating Your Will
